

Prepare for Your First Call

Things to Talk About in Your First Call

Your introduction call will be the start of your relationship! You can discuss anything you would like in your first call, but we advise covering the following topics:

- **Your Background**
 - Your Education
 - Professional Background
 - Fun Facts about You
- **Your Goals & Making Progress**
 - What do you want to achieve from this workshop?
 - How much time can you spend on the course every week?
 - What are your first week's goals?
- **Your Learning**
 - What is your learning style? (e.g. seeing, doing, reading, watching, etc.)
 - What are 1-2 things that would help keep you motivated?
- **Your Communication Style**
- **Any Questions You Have Prepared**
